Temporary Visitor Visa for Entrance Examination

Foreign nationals who wish to take the entrance examination for the Graduate School of Frontier Sciences in Japan and need to obtain a short-stay (commercial) visa in order to enter Japan must prepare the following four documents issued by the University of Tokyo when applying for the visa: 1) Letter of Guarantee, 2) Itinerary in Japan, 3) Invitation Letter, and 4) Certificate of Employment (of the guarantor), will be prepared by the Graduate School of Frontier Sciences as soon as the necessary information is received from the applicant.

First, please check the website of the department you wish to apply and the entrance examination guidelines for the type of entrance examination to be conducted (face-to-face or online). Then, if you will be traveling to Japan to take the entrance examination and need to have your documents prepared by the Graduate School of Frontier Sciences, please contact the GSFS International Liaison Office (ilo.secretariat@edu.k.u-tokyo.ac.jp) on or after 23 June (Friday).

Please note that it takes about 10 days for the documents to be sent after the information is received by the GSFS International Liaison Office from the person who wishes to apply for a visa.
