

Dean's Award for Outstanding Achievement, Graduate School of Frontier Sciences 2020

The recipients of the Dean's Award for Outstanding Achievement (Master course 12 students, Doctoral course 11 students, International exchange section 1group) GSFS 2020 were announced. The awards were initiated in 2006 for the purpose of recognizing students and groups for outstanding achievement in academic learning, international exchange, and regional contribution.

Dean's Award for Outstanding Achievement Master Course

Department of Advanced Materials Science	ISHIHARA Kota
Department of Advanced Energy	HAYASHI Takumi
Department of Complexity Science and Engineering	FUJISAWA Masahiro
Department of Integrated Biosciences	YUZAWA Tomohisa
Department of Computational Biology and Medical Sciences	YOSHIKAWA Naruki
Department of Natural Environmental Studies	OHSHIMA Kensuke
Department of Ocean Technology, Policy, and Environment	TSUCHIHASHI Naoki
Department of Environment Systems	HIKIMA Shu
Department of Human and Engineered Environmental Studies	Abdullah MUSTAFA
Department of Socio-Cultural Environmental Studies	YAGI Shotaro
Department of International Studies	YAMADA Ikuya
Graduate Program in Sustainability Science - Global Leadership Initiative	GONOCRUZ RUTH ANNE TANLIOCO

Dean's Award for Outstanding Achievement Doctoral Course

Department of Advanced Materials Science	KIMURA Kensuke
Department of Advanced Energy	HISADA Shinsaku
Department of Complexity Science and Engineering	FUTAMI Futoshi
Department of Integrated Biosciences	KAWAOKA Tatsuya
Department of Computational Biology and Medical Sciences	SUZUKI Yoshihiko
Department of Ocean Technology, Policy, and Environment	KITA Yuki
Department of Environment Systems	KOJO Gen
Department of Human and Engineered Environmental Studies	YAMAMOTO Michitaka
Department of Socio-Cultural Environmental Studies	AIDA Yu
Department of International Studies	Zhao Sijia
Graduate Program in Sustainability Science - Global Leadership Initiative	FURUKAWA Norikazu

Dean's Award for Outstanding Achievement International Exchange Section

Department of Ocean Technology, Policy, and Environment	Team Clairvoyance (HAMAMATSU Yuya, FUJITA Kenichi, YATAGAI Hiroya)
